

agropest™

Insecticide for use in organic production

From the farm to the table... sustainably

ACTIVE INGREDIENTS

Thyme oil*	13%
Rosemary oil	10%

INERT INGREDIENTS

Water and sodium citrate	77%
TOTAL	100%

*The active ingredient used in **THYME GUARD®**

PRODUCT INFORMATION

AGRO PEST is a new contact insecticide for use in organic production, made from a blend of thyme oil* (the active ingredient used in **THYME GUARD®**) and proprietary rosemary organic oil. **AGRO PEST** can be used as a conventional insecticide to repel and kill most small sucking insects such as aphids, mites, white flies, thrips, psyllids, drosophila suzukii, and others.

DIRECTIONS FOR USE:

Dilute at a rate of 0,25% up to 0.5% with water. Dosage should not exceed 0.5% of the total solution. **AGRO PEST** can be applied via foliar spray every 10 to 14 days. **SHAKE WELL BEFORE USE.** Can be tank mixed, always perform compatibility jar test before applying or mixing with other chemicals. Conduct small test prior to application to avoid any possible phytotoxicity.

AGRO PEST is exempted from EPA registration under FIFRA 25(b).

CAUTION: KEEP OUT OF REACH OF CHILDREN

NET VOLUME / NET WEIGHT:

2.5 US Gal / 22.5 Lb.

PRECAUTIONS:

Avoid getting in eyes or on skin or clothing. The use of side-shield safety glasses and gloves is recommended. Harmful if swallowed. If skin contact occurs, remove contaminated clothing and wash with large amounts of soap and water. If in eyes, rinse repeatedly with clean water for 15 minutes. Obtain medical attention for any persistent irritation.

CONTAINER DISPOSAL:

Dispose of waste material in accordance with federal, state and local environmental laws and regulations.

STORAGE:

Keep container sealed tightly when not in use. Keep product in a cool location away from direct sunlight. Store in temperatures between 5° C (41° F) and 25° C (77° F).

CONDITIONS OF SALE:

Seller warrants that this product conforms to the chemical description on the label thereof and is reasonably fit for purposes stated on the label when used in accordance with directions under normal use and conditions. Crop injury, inefficacy, or other unintended consequences may result from factors, such as weather conditions, presence of other materials, or the manner of use or application, which are beyond the control of seller. In no case shall seller or its affiliates be liable for consequential, special or indirect damages resulting from the use, handling, or shipping of this product. No warranty is expressed or implied, including warranty of merchantability or fitness for a particular purpose.
