

5-WAY BLEND

BlueGold® 5-Way Blend is a natural mineral blend designed to improve soil health and plant growth.

PRODUCT FEATURES

- Derived From: Calcium Phosphate, Calcium Carbonate, Biochar, Carbonaceous Shale, Quartz Rock

BENEFITS OF 5-WAY BLEND

- Improves soil structure, making it easier for roots to penetrate and absorb nutrients
- Provides a balanced supply of essential minerals, including calcium, phosphorus, carbon, silica, and humic substances
- Promotes stronger root growth, leading to better nutrient and water uptake
- Help plants better tolerate environmental stresses such as drought, heat, and cold
- May boost plant defense mechanisms, making them more resistant to diseases.
- Improves fruit quality, including size, color, and flavor

FOR BEST RESULTS

- Must be used in conjunction with proper soil and Sap Test Analysis and applied according to test resulted for the crop type, crop height, and PPM change required
- Must be stored in a cool, dry place away from excessive moisture and heat
- Reseal after each use
